- Treasury Analysis/Refunds Dept **2006-Present**

My name is **Yolanda Tolliver**, I am asking you to elect me for the Bart Chapter **Secretary** of SEIU Local 1021.

It is an honor and privilege to be nominated to serve as the Chapter Secretary for SEIU Local 1021.

As an active employee for the Bay Area Rapid Transit District since 1997, I am familiar with the opportunities and challenges associated with union membership and leadership within the District. One vital goal is to ensure that jobs here at the BART remain stable and are not threatened by the growing advances of technology by **providing employees with training** to meet the advances, and also promotional opportunities.

If elected Chapter **Secretary**, I affirm my commitment to serve as a guardian for all employee rights and as an advocate for goals and initiatives that will enhance our ability to continuously improve the quality of work and retention of union positions here at BART. Working together with the union's leadership, and staff, I firmly believe that our future remains promising and bright. Please **vote** for me. Let's use our unified strength.
