

INVEST IN YOUR FUTURE

BART Chapter members,

My name is Eugene Texeira. Having worked for the District for fourteen years, and having been involved in Unions since 1969, I saw a need for member participation in our union. In 1997 I began attending General Membership meetings, and volunteered for the Election committee. At that time I dedicated myself to the BART Chapter, assisting in whatever way I could.

Over the years I have had the privilege to represent many workers in my own Dept. and other depts. As well. I have been very successful in settling grievances, and have participated in arbitrations, that have rewarded some members financially, and many members with contract interpretation. I have been involved in two recession bargaining. Let me use this experience

In 2007 I ran for Vice President of the BART Chapter on a ticket with Roxanne Sanchez as President. The membership gave me enormous support, however I lost the position by 20+ votes. **NOW I'M BACK.**

Thru my years of involvement with the union I have experienced many good things and some bad. I have not always made the right decisions, but I have learned from my mistakes. **DON'T LET THIS WISDOM GO TO WASTE.** You the membership have invested a lot of time in me, take advantage of it. Put me in office so I can help to repair and strengthen our union.
