

Hello My name is Herb Holland Jr. and I work in the Track and Structures department. I have been involved in the Union as a chief steward and constant consultant on matters and issues related to the CBA and would like to accept the nomination for Vice President of the chapter.

I have over the years constantly said that we need to get stronger and not weaker and the communication needs to get better. Somewhere along the line we have lost both and I intend to get it back if I am voted into office. We need strong leadership and people willing to fight for your rights as workers and not afraid to speak their minds and do whatever it takes to make sure that management does not get away with breaking the rules that have been set forth by the CBA.

We also need a fresh face with new ideas to take on these task and I promise you that if I am elected I will work hard for all of you. Thank you.
